

HACK ON HILLS

9TH-10TH MARCH, 2019
NIT HAMIRPUR

SPONSORSHIP BROCHURE

HACK ON HILLS is a fraternity of programmers, developers and hackers aimed primarily at addressing real life problems, brainstorming innovative ideas and implementing the ingenious solutions into working prototypes.

It provides a platform for the best of minds all across the country to learn, build and showcase their true potential.

HACK ON HILLS is for all those who have a knack of learning outside the classrooms, tackling the biggest of challenges and building remarkable projects in a team.

HACK ON HILLS

www.hackonhills.com

**HACK ON HILLS WAS SUCCESSFULLY HELD FROM
24-25 MARCH, 2018 AT NATIONAL INSTITUTE OF
TECHNOLOGY, HAMIRPUR.**

IT SAW AMAZING PARTICIPATION OF 200+
HACKERS, 45+ PROJECTS AND 32 HOURS OF CODING.

AFTER **32 HOURS** OF INTENSE HACKING
200+ HACKERS CAME UP WITH INNOVATIVE
45+ PROJECTS SOLVING SOME
REAL LIFE PROBLEMS.

NOW ITS TIME FOR
HACK ON HILLS 4.0

WE NEED YOUR HELP TO MAKE IT HAPPEN

DIVERSITY

We are taking steps to encourage more women to participate in such technical events. For this, we introduced separate prizes for best all women team and reserving some portion of seats for women during hackathon.

WHY SPONSOR US?

Social Media Promotion

Our cogent social-outreach on various platforms like Facebook, Instagram as well as the official HACK ON HILLS website will acknowledge your company as a sponsor.

We also provide an opportunity for your company to publicize your contests/events for recruiting interns & full-time employees amongst our coding community.

WHY SPONSOR US?

Offline Promotion

Being the sponsor, your company logo will be associated to the promotional campaign of HACK ON HILLS 4.0 in our college. All banners, posters, certificates, standees as well as T-shirts would contain the logo prioritized on the scale of sponsorship.

WHY SPONSOR US?

Realtime Feedback

As a sponsor, your company will get a community of testers ranging from novice programmers to expert hackers to test and give a real-time feedback to your development products and APIs.

WHY SPONSOR US?

Custom Brand Awards

Your company will also get the opportunity to give their brand based awards like company T-Shirts, and other prizes to best products developed of a particular type during the period of hackathon.
